BERGER SINGERMAN
FLORIDA'S BUSINESS LAW FIRM

A MESSAGE FROM OUR MANAGING PARTNER

June 18, 2020

By: Jordi Guso

Berger Singerman joins those voices who call for an end to the senseless racism and violence that harms our communities and seeks to divide us. Now more than ever we stand with all of our firm team members, our clients, trading partners and our communities in calling for equal treatment for all. Together, we can make a difference.
