June 7, 2016

MIAMI, FL – June 8, 2016 – Berger Singerman, Florida's business law firm, has been ranked among the top Florida law firms in the *Chambers USA 2016 America's Leading Business Lawyers for Business* annual publication for the thirteenth consecutive year. The ranking included sixteen of the firm's attorneys and five of its practice teams: Bankruptcy/Restructuring, Corporate/M&A & Private Equity, Environment, Litigation: General Commercial, and Real Estate.

The firm's Dispute Resolution Team (DRT) was ranked alongside only 13 other excellent firms in the first and second tiers in the State of Florida within the Litigation: General Commercial practice area, edging out many other litigation practices including litigation boutiques and national and international mega firms.

[The firm also] maintains a fine reputation for its work in real estate and environmental-related litigation." Clients commented the following: "they are a sophisticated and

smart team. They focus on the matter at hand, and they're effective and efficient." "Everyone I interact with is highly professional and responsive. The work product is excellent and I am very pleased with my experience with them. Everyone from the lead partner to the associates and support staff is great."
