FORBES QUOTES MICHAEL HIGER IN, "HOMEOWNERS AND INSURANCE COMPANIES WILL GRAPPLE WITH CLIMATE CHANGE IN 2021"

January 13, 2021

Forbes

View Full Article

After a 2020 filled with hurricanes and wildfires, this year could be the moment when the U.S. insurance industry finally grapples with climate change. Who will win that wrestling match? Insurers? Homeowners? Or the increasingly challenging environment?
