HOTEL MANAGEMENT "WHAT DOES YOUR HOTEL MANAGEMENT AGREEMENT SAY?"

December 29, 2021

By: David Camhi

Hotel Management

View Full Article

"The hotel industry is a mature industry, and hotel management agreements have been evolving for a long time. In the United States, hotel management agreements have a more or less standard set of provisions, and their content is more or less consistent with reflecting what at any particular point is “market.” This is not exclusive to the hotel industry or management agreements; many agreements share this same particularity."
