Berger Singerman partner Josh Brandsdorfer participated in a 2022 Urban Land Institute Southeast Florida/Caribbean Leadership Institute team project focused on the former Plantation General Hospital site. Working with real estate and planning professionals, Josh helped research the site and present redevelopment recommendations to the Plantation Community Redevelopment Agency.

ULI recently reported on how the team's work helped build momentum for investment and redevelopment at the site. Josh also serves as a Day 1 Co-Chair for the Leadership Institute.
