With all due respect to baseball, football is America's game and Super Bowl Sunday is the biggest single-day sporting event in the USA. I am even part of an annual fantasy football league with my family members. I grew up watching my hometown Miami Dolphins. Last year, I was volunteering with the Super Bowl Committee in Miami Beach at the NFL Experience. We tried to make the visit to the Miami Beach Convention Center welcoming and fun for fans of all ages. The NFL team was very kind and respectful to the volunteers.
